

At Poppins Kid's Room Cerulean Tower,
Our professional child-care staff offers
a safe environment filled with love
and care for your child,

Poppis in association with Norland College
in England, the home of nannies, provides
every child in the Kid's room with
carefully designed edu-care to fit his/her
individual needs. Based on our philosophy
that every child should be respected as an
independent being, his/her individual
character should be fostered, and their
dignity, sprit of independence and rights
should be protected.

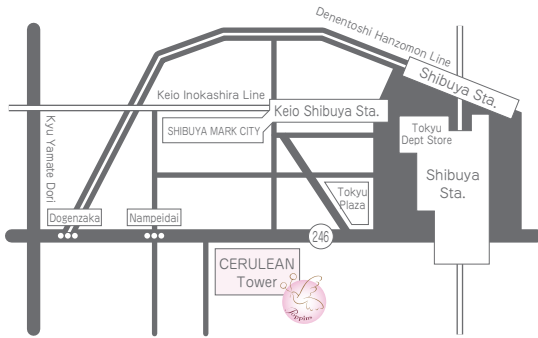

*Edu-care is a word created by putting "Education" and "Care" together.

Poppins became the first
Japanese childcare service
provider to be awarded the
international standard
quality certification ISO
